

## **District Inventory Summary - 10/19/2025**

### **District Purpose & Support**

- The district is viewed as a family, meant to support recovery, unity, and service.
- There's a need for more workshops, especially on sponsorship and concepts.
- Standing committees are underfilled, affecting message delivery and service effectiveness.

### **District Structure & Participation**

- Concerns about whether the current structure adequately supports the number of groups.
- Participation from groups is low; only about 50% of GSRs attended the inventory meeting.
- Some feel the district is too large, leading to thinly spread resources and poor unity.

### **Meetings & Environment**

- Meetings are often rushed; suggested to extend meeting time beyond one hour.
- Group reports might be more effective at the beginning of meetings.
- Current meeting location is considered too cold.

### **Communication & Information Sharing**

- DCM is providing sufficient information, but interpersonal conflicts hinder effectiveness.
- Suggestion to invite committee chairs to home groups for presentations.
- Face-to-face invitations are more effective than announcements for increasing participation.

### **Committees & Service**

- Some committees are inactive or lack chairs; suggestion to focus on fewer but more vibrant committees.
- Standing committees mentioned: Archives, Third Legacy, Bridging the Gap, Corrections, Literature, Accessibilities, Young People; CPC is missing.

### **Unity & Atmosphere**

- Hostile or glum environments discourage participation.
- Emphasis on fun and attraction rather than promotion..

### **Traditions & Contributions**

- Seventh Tradition includes both financial and service contributions.
- Lack of financial contributions linked to mistrust in spending.
- Encouragement to communicate reasons for non-contribution and promote transparency.

### **Action Items & Next Steps**

- Forming an ad hoc committee to explore changes in meeting time, day, and location.
- Ric will condense minutes and Beth will distribute them.
- Items from the inventory will be added to future agendas for discussion and action.
